

What went well?

What should we keep doing?  
What should we celebrate?  
Where did we make progress?

What went poorly?

Where did we have problems?  
What was frustrating to us or others?  
What held us back?

[Topic of the retrospective]

Induction: Induction programs are designed for newly hired teachers to help them transition smoothly into their teaching roles. ...

One-shot: The one-shot model of in-service teacher training involves a single, isolated training session or workshop.

The main objective of teacher education is to develop a skill to stimulate experience in the taught, under an artificially created environment, less with material resources and more by the creation of an emotional atmosphere

Pre-service teacher education is the education and training provided to student teachers before they have undertaken any teaching. In contrast, in-service teacher education provides learning opportunities for practicing teachers.

What are the 5Es? o The 5Es represent five stages of a sequence for teaching and learning: **Engage, Explore, Explain, Extend** (or **Elaborate**), and **Evaluate**, personally involved in the lesson, while pre-assessing prior understanding.

The 4As of adult learning: **Activity, Analysis, Abstraction, and Application** is illustrated in Figure 6.1. The constructivist approach to teaching asserts that a Learner gains and builds knowledge through experience. It recognizes that life experiences are rich resources for continued learning.

- To help student teachers become competent and committed full-time teachers.
- To promote teachers as agents of modernization in the education system.
- To sensitize teachers towards the protection of human rights.

A teacher who is already teaching in classroom, refers to the term "in service teacher". They are directly engages in teaching. In the other side, "pre service teacher" refers to them who are going through the process of becoming teacher

- Pre-primary teacher education.
- Primary teacher education.
- Secondary teacher education.
- Higher education programmes.
- Vocational Teachers Training.

Also known as **teacher candidates**, this term is used to describe student teachers who are enrolled in a teacher preparation program and working toward teacher certification. They complete supervised field-based teaching experiences with the support and mentorship of university faculty and K-12 cooperating teachers

Pre-Service Teacher Education section as a unit of **DSERT** functions with the responsibility of formulating and managing pre service teacher education programmes with the purpose of preparing quality teachers for preschool and primary school levels
